Hope this letter finds you in great spirits!!!!!!

(1). Sir, I am writing concerning the attorney appointed Ms. Deanna

B. Johnson. I was suppose to be filing an reply to the governments response.

To this date I haven't been able to contact her by phone or by letter, esp-

ecially being out here in California where there is a two hour difference.

Sir, the only thing I am asking is to have a full fledge oppotunity to have

part in litigating my 4th Amendment claim an other issue's presented to you

in my § 2255. Sir, I would like to have an oppotunity to meet with Ms. Johnson

in order to explain my issue's. I still have other proceeding after this.

(2). I requested an Certificate Of appealability concerning my Civil Action

on the question, How can the court find the police officer's more creditable

than me, when I was acquitted at federal trial by the jury? Sir, this question

has a broad interpretation and that the law in criminal cases doesn't allow

the court to overturn an jury verdict found by an jury unless it is clearly

erroneous. Sir I have yet to receive an response, could I please have a copy

of my dockket sheets Civil Action 3:07-0378 an a copy of the last two pages

of my criminal docket of the filing of my § 2255.

Always Respectable to you in your

Court Room.
